Objective

To obtain a **Java Developer** role that allows me to apply my technical skills in Java, Spring Boot, and SQL, while enhancing my knowledge through real-world project experience.

Education

Bachelor of Engineering (B.E in Computer Engineering)

Konkan Gyanpeeth College of Engineering, Karjat — Mumbai University
2025 | CGPA: 8.15

Diploma in Computer Engineering

G. V. Acharya Polytechnic College, Shelu -MSBTE
2022 | Percentage: 68.91%

Secondary School Certificate (SSC)

Panna English High School,
2018 | Percentage: 56.20%

Technical Skills

- | | | |
|--------------|---------------|-------------------|
| • Core Java | • SQL | • JavaScript |
| • JDBC | • Servlet | • JSP |
| • Spring MVC | • Spring Boot | • Spring Data JPA |
| • Hibernate | • HTML | • CSS |

Internship

Java Full Stack Developer – Internship

JSpider, Thane | Jan 2025 – Present

- Full Stack Java Development (Core Java, JDBC, Servlets, JSP, Spring Core, Spring Boot).
- OracleSQL for backend database operations.
- HTML, CSS, JavaScript for front-end.
- Real-world mini project development & deployment

Projects

Forensic Face Creation and Detection – Final Year Project

Technologies: Java, SQLite, AWS

- Forensic facial data creation and detection system.
- Used Java for logic, SQLite for storage, AWS for image hosting.
- Handled image input, facial feature mapping, suspect identification.

Airline Management System

Technologies: Spring Boot, Spring Data JPA, PostgreSQL, Java, Maven

- Developed a RESTful Airline Management System to handle flight booking, ticket cancellation, and passenger management.
- Implemented layered architecture using Spring Boot and JPA for modular and maintainable code.
- Integrated PostgreSQL for persistent data storage with validation, exception handling, and CRUD operations.
- Enhanced the system from a Core Java console project to a scalable backend application.

Strengths

- | | | |
|----------------|---------------------|----------------------|
| 1. Punctual | 3. Quick Learner | 5. Positive Attitude |
| 2. Team Player | 4. Self-disciplined | 6. Hardworking |
